## Abstract

"Fire Research Publications, 1985~ is a supplement to previous editions; the last five editions are referenced below. Earlier edition information is available upon request.

1980	NBSIR 81-2272	PB81-203317
1981	NBSIR 82-2499	PB82-220104
1982	NBSIR 83-2706	PB83-238915
1983	NBSIR 84-2871	PB84-217066
1984	NBSIR 85-3153	PB85-208502

Only publications prepared by members of the Center for Fire Research (CFR), by other National Bureau of Standards (NBS) personnel for CFR, or by external laboratories under contract or grant from the CFR are cited.

NBS Report Series are available for purchase from either the Government Printing Office (GPO) or the National Technical Information Service (NTIS).

GPO documents, i.e., the NBS Monograph series, are obtained by writing directly to the Superintendent of Documents, U. S. Government Printing Office, Washington, DC 20402. Orders must be prepaid. Remittance should be made by check or money order payable to the "Superintendent of Documents, U. S. Government Printing Office".

NTIS documents, i.e., the NBSIR and NBS-GCR series, are obtained by writing directly to the National Technical Information Service, Springfield, VA 22161. Microfiche copies of the documents also are available at a cost of \$5.95 for domestic orders. Orders must be prepaid by check or money order payable to "National Technical Information Service" or by utilizing your NTIS deposit account.
