LIST OF PUBLISHED MATERIAL
RELATING TO HOME BUILDING AND MAINTENANCE

This Letter Circular is intended to be of assistance to home owners, home builders, and others interested in building materials, equipment, and practices for the construction of dwellings and the maintenance and modernization of home properties.

Government publications issued by FEDERAL AGENCIES or DEPARTMENTS, shown in capital letters, are listed under the name of the agency. If marked "Free" they may be obtained without charge by writing direct to the agency under which they are listed. Those publications for which a price is given can be procured with coupons obtainable from the Superintendent of Documents, 20 for \$1.00 and good until used, or by check or money order payable to the Superintendent of Documents, Government Printing Office, Washington 25, D. C.

Publications of national trade associations and other organizations included in this Letter Circular may be obtained, free of charge or at prices indicated, by writing direct to those organizations.

In addition to the material included in this Letter Circular, many universities and colleges, through their engineering and experiment stations, agricultural extension divisions, and other departments, furnish published information of interest to home owners upon request. These institutions are listed, by States, on page 36 of this Letter Circular.

The National Bureau of Standards does not assume responsibility for statements made in publications other than those prepared by members of the Bureau staff.

INSTRUCTIONS FOR OBTAINING THE PUBLICATIONS LISTED
