<http://dx.doi.org/10.6028/jres.097.024>

**Erratum:** Equations D5 and E3 in the appendices of [1] contain typographical errors. They should read

$$W \equiv \text{diag}(W_n); W_n \equiv \frac{\tilde{p}_{0n}}{v_{0n} i_{0n}} = \frac{v_{0n}^* \tilde{p}_{0n}}{v_{0n} p_{0n}^*} \quad (\text{D5})$$

and

$$U \equiv \text{diag} \left( \frac{|v_{0m}|}{v_{0m}} \sqrt{\frac{\text{Re}(Z_{\text{ref}}^m)}{|Z_{\text{ref}}^m|}} \right). \quad (\text{E3})$$

Also, the reference to Eq. (20) just after equation (D5) should be a reference to Eq. (17).
