Final Report
The "Fire Research Publications" is a list of papers and articles prepared by members of the Fire Technology Division, or the Building Fires and Safety Section of the Center for Building Technology, and by outside sources under contract or grant from the Fire Technology Division during the period 1969-1972. Papers written by NBS personnel before employment at the Bureau are not included. Items listed in "Publications on Fire Research", LP 19 (Sept. 1969, Revised) National Bureau of Standards, U.S. Department of Commerce, also are not included.

For documents that are available for purchase from either the Government Printing Office (GPO) or the National Technical Information Service (NTIS), the specific order number and paper copy price have been included in the citation.

GPO documents are obtained by writing directly to the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. Indicate the SD Catalog No. for each document requested. Orders must be prepaid. Remittance should be made either by coupons (obtainable from the Superintendent of Documents in sets of 20 for $1.00 and good until used) or by check or money order payable to the "Superintendent of Documents, U.S. Government Printing Office".

NTIS Documents are obtained by writing directly to the National Technical Information Service, U.S. Department of Commerce, Springfield, Va. 22151. Indicate the NTIS Order No. for each document requested. Microfiche copies of documents are also available at a cost of $1.45 for domestic orders and $2.95 for foreign orders. Orders must be prepaid by check or money order payable to "National Technical Information Service" or by utilizing an NTIS Form with your deposit account number.

All other items should be requested directly from authors. The items are not available from the Fire Technology Division.
