Foreword

This directory is a compilation of persons and organizations associated with the profession of weights and measures. It contains four lists: (1) State weights and measures directors; (2) weights and measures staff under each jurisdiction; (3) State personnel involved in petroleum testing; and (4) Federal contacts.

A list of NIST Weights and Measures Division staff is included in the directory as well as a table showing their specific areas of responsibility. Additionally, this directory contains Internet Web Sites relevant to weights and measures activities.

Every effort has been made to assure that the listings in this directory are accurate. However, reorganizations, retirements, and position changes implemented after this printing may result in some information no longer being current. If a change, deletion, or addition is noticed, please send the updated information to:
